BACKGROUND INFORMATION: Various School and Special Districts have submitted requests to the Auditor/Controller for temporary transfer of funds, in accordance with the provisions of Article XVI, Section 6, of the California Constitution. The provisions authorize the County Treasurer, upon approval by the Board of Supervisors, to make a temporary transfer to allow these Districts to meet their obligations. The provisions are applicable to only those Special Districts whose funds are in the custody of the County Treasurer.

The temporary transfer may not exceed 85% of the taxes that will accrue to the districts and shall be repaid from the collected taxes before any other obligation of the districts. The districts have requested advances totaling \$36,807,692, which is 77.5% of the property tax revenue for FY 02-03.
